Mid-Coastsides Project Report

Gentlemen:

As authorized and directed by you, we present the Project Report for Wastewater Treatment for the Mid-Coastsides. This report summarizes the comprehensive studies and investigations undertaken, and presents a wastewater management plan that meets the needs of the local area.

It has been a pleasure working with the City's and the District's staff, and the representatives of the various affected agencies. We appreciate the opportunity to be of service to you in your efforts to achieve an enhanced environment.

Yours very truly,
